Would Have U. S. Turn Interior
Forts Into Training Schools.

TACOMA, Wash., June 5.—Senator Cummins of Iowa announced to-day that he has prepared and will introduce in the next Congress a bill to create and train a force of reserves who would be ready to defend the United States in case of emergency.

The bill as outlined by Senator Cummins would empower the Government to turn eight of the interior forts and barracks that no longer have strategic value into military schools. To these

SINCE the destruction of the Temple in Jerusalem the Jewish people have had no darker page in their history than that which the Russian Government is writing to-day. Six million Jews, one-half of the Jewish people throughout the world, are being persecuted, hounded, humiliated, tortured, starved. Thousands of them have been slaughtered
