

A group of people are on a boat, looking out at the ocean during a sunset. In the sky, there is a prominent, thick white streak that looks like a condensation trail or a chemtrail, extending from the top left towards the center. Several people are pointing their fingers towards this streak. The sky is a mix of orange, yellow, and blue, and the water is dark blue.

WHAT THE ...

**KONDENSSTREIFEN?
ODER CHEMTRAILS?**
